Please provide appropriate documentation in support of your claim.

Please give details of whether the whole or any part of the debt falls within any (and if so which) of the categories of preferential debts under section 386 of, and Schedule 6 to, the Insolvency Act 1986 (as read with schedule 3 to the Social Security Pensions Act 1975). If all or part of your debt is secured please give particulars of any security held, the value of the security, and the date it was given

If you are registered for VAT the amount claimed should include VAT even if VAT bad debt relief has been claimed under the Value Added Tax Act 1994.

Please return this form when you have completed it to J A O'Sullivan, Bishop Fleming LLP, 2nd Floor Stratus House, Emperor Way, Exeter Business Park, Exeter, EX1 3QS.

Creditors registered for VAT may be able to claim VAT bad debt relief in accordance with Section 36 Value Added Tax Act 1994. In broad terms relief is available when the debt is six months old and "written off" by the creditor entering it on his VAT refunds-for-bad-debts-account.

Claims lodged in the liquidation should be gross, including any VAT element. If/when dividends are paid, creditors who have claimed VAT bad debt relief must apportion the dividend between VAT and the net element of their claim and account to HM Revenue & Customs for the VAT element through their VAT return.

Insolvency practitioners have no role in administering VAT bad debt relief under the Value Added Tax Act 1994. Creditors who are uncertain how to claim should contact their VAT office or take professional advice.
